Cancer Crush

We had 100 people come together as family on July 30th. Many others who were unable to attend contributed to the American Cancer Society. We wrote a check to ACS for:

\$6630

The potluck contributions were beyond any we have seen at MPBC. As luck would have it, we were able to share this food and friendship with players from not only MPBC but also with friends from the Greek Church and the Bonita Bridge Club.

Thank you for being a part of the Cancer Beat Down. What a great day!

Phase one near completion

Increasing the staff at MPBC is in full swing. You have noticed the additional contributions of Paula Babcock and Sue McCullough. We are excited to announce that Doug and Rita Schuler will purchase the goodies for the club. Hilary Bobker will showcase a newly designed newsletter in September. Dorsett and Rodney Judd have volunteered to assist with special projects around the club.

Many of you have noticed the addition of Paula and Sue as future directors; however, more help in this area is needed. If you were thinking about doing some directing at the club once a week or maybe just a couple of times a month, please do not hesitate to speak with us about being a part of our terrific team.
